

# RESEARCH SOCIETY ON MARIJUANA 5TH ANNUAL MEETING – JULY 23, 2021, 12-5PM EASTERN

Due to the ongoing COVID-19 pandemic, RSMj is hosting its 5th annual meeting **virtually** in accordance with public health guidelines on **July 23, 2021 from 12-5 PM Eastern time**. Our goal is to make this an interactive experience for attendees, thus all sessions will include live components via Zoom.

## KEYNOTE SPEAKER: MITCH EARLEYWINE, PH.D.

*The Unparalleled Evils  
of Cannabis*

Attendance is  
**FREE** for all current  
2021 RSMj members – *Join or  
renew your membership today!*  
[researchmj.org/membership](https://researchmj.org/membership)

Non-member registration fees: Student = \$25,  
Post-doctoral = \$50, Professional = \$100

## VIRTUAL POSTER SESSION

We are currently accepting submissions for poster presentations, so please consider this opportunity to share your cannabis research with the larger RSMj community. Presenters will be asked to be available in real-time for a portion of the meeting to interact with attendees and discuss their research in more detail. (Abstract < 500 words)

## FLASH TALKS

Presenting authors will have the option of being considered for the opportunity to give a flash talk (5 minutes) presenting their poster to attendees at large during the conference.

## PANEL DISCUSSIONS

Panel discussions (with audience participation) on topics relevant to field of cannabis. These panel discussions will be open/of interest to everyone, but will focus on providing useful information and conversation for student/junior career members in particular.
